

Dear Well Community,

We are because of **you**. Your generosity has sustained our ability to nourish souls through community, programming, and connection for more than 20 years. **You** play an instrumental role in our positive impact and outreach both in and around Baltimore – and across the nation and world: forty-five states, three Canadian provinces, DC, Puerto Rico and Finland! Your support amplifies our mission, fuels our team of passionate and dedicated professionals, energizes our visionary board of directors, and ignites our dynamic volunteer community. As we reflect on the past year and plan and dream for the year ahead, **you** are an integral part of our story.

For the many ways **you** have elevated our work – your unwavering support for our mission through monthly and annual donations, your generosity for our Well Said Speaker Series fundraiser, and the investment in our mission through foundation grants – we are thankful!

You empower us to fulfill our mission and stand as a vital presence in the world. We make a meaningful difference because **you** believe and invest in our work. For this and **you**, we extend our deepest gratitude.

In celebration of where we've been and with hope for where we're going,

Greg and the Well Team
